CLOISTERETTE

NINETEEN-SEVENTY THREE

EPHRATA HIGH SCHOOL

EPHRATA, PENNSYLVANIA

That funny little man who wears ragged clothes, smokes a pipe, and carries a shotgun has always been a familiar face at Ephrata High School. In his own little way, he reminds us that we are the Mountaineers and THE MOUNTS ARE GREAT.

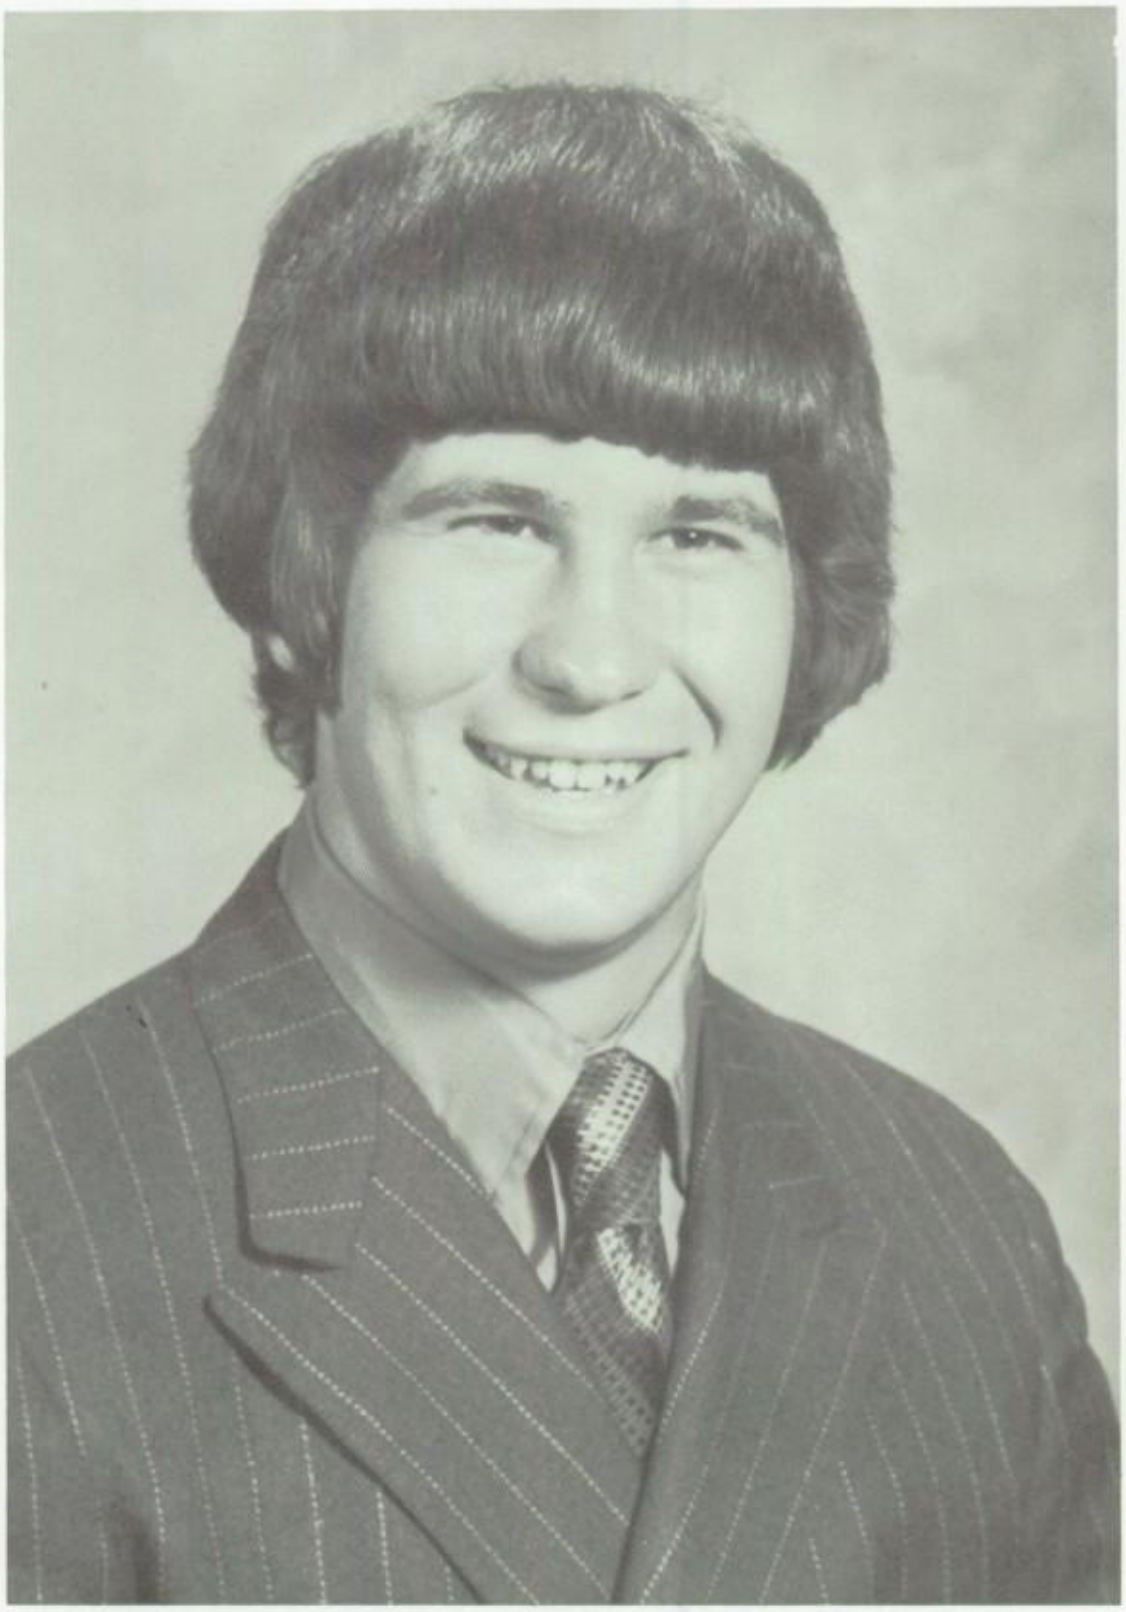
DEDICATION

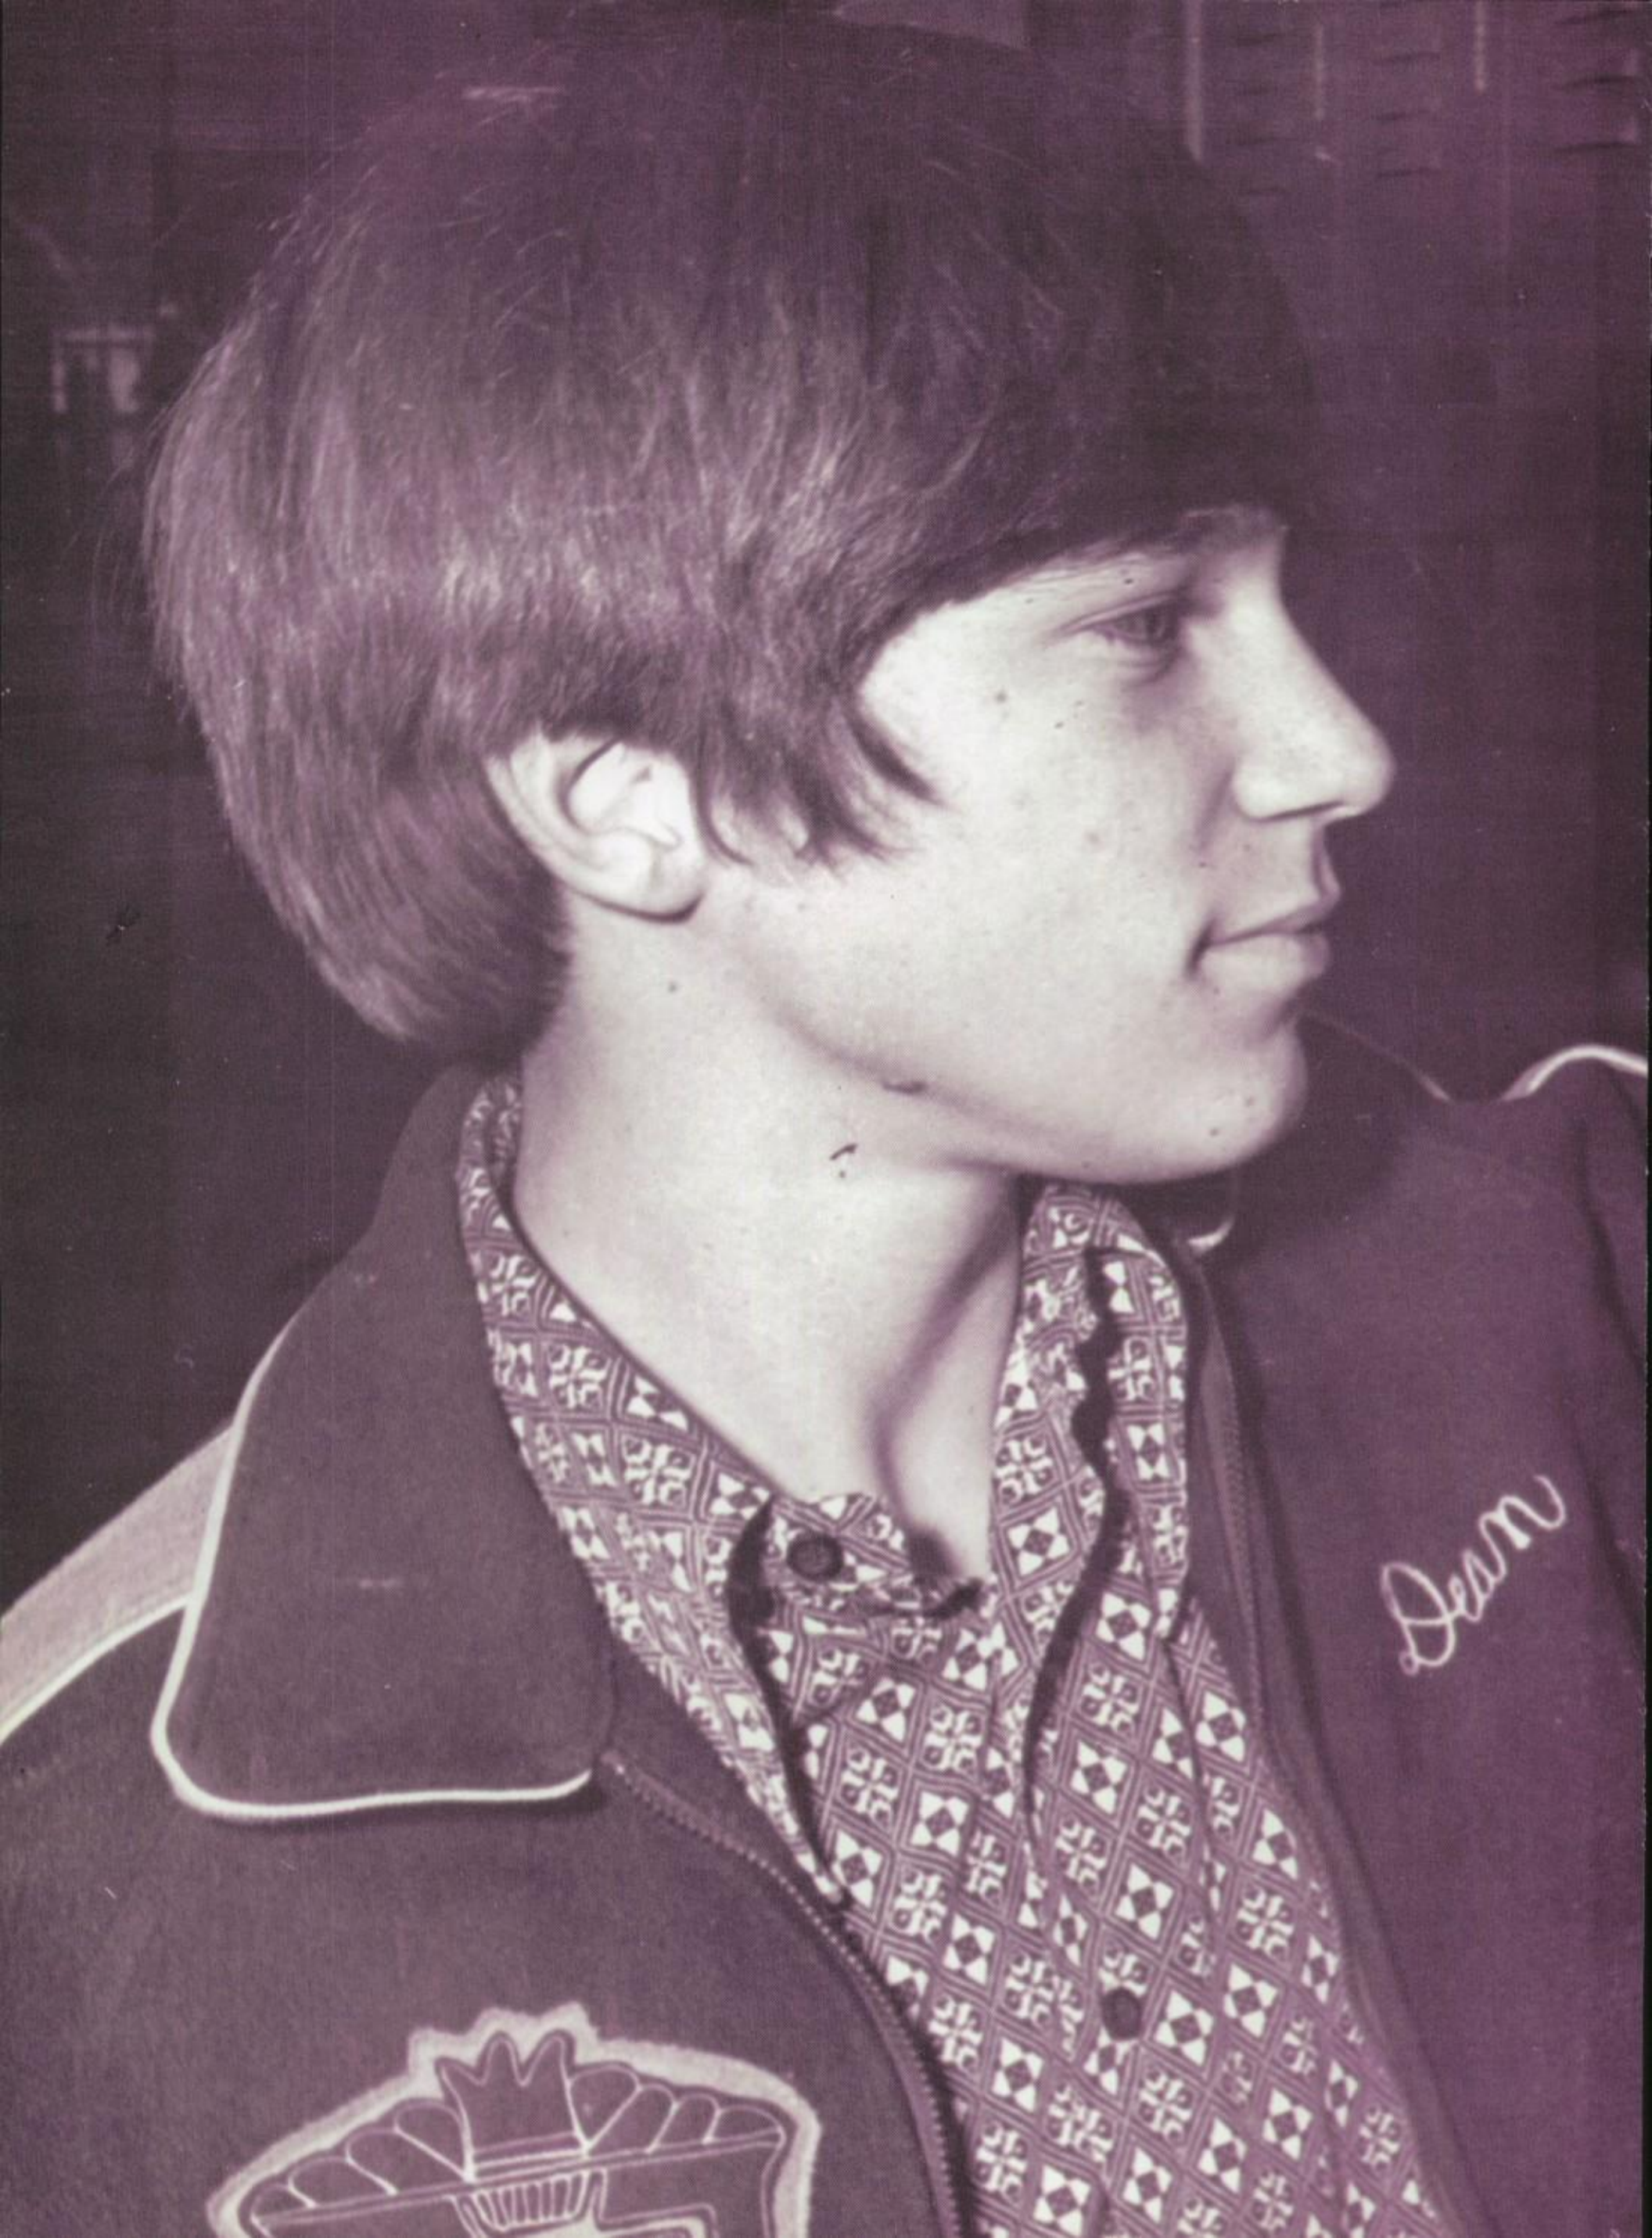


THOMAS SCOTT STAUFFER

We the Class of 1973 of Ephrata High School dedicate The Cloisterette to the memory of our beloved classmate, Thomas Scott Stauffer. His tragic death on November 8, 1972 touched us deeply.

Tom was a Mountaineer who had pride. An avid sports enthusiast, he was a member of the football and the track team. Treasurer of our junior class, he was also a member of Student Council, Photo Club, Chemistry Club, Bridge Club, and Ski Club. An Honor Roll student, Tom was a National Merit Scholarship finalist.

The Thomas S. Stauffer Scholarship Trust Fund has been established in his memory. Although we will miss Tom, we are happy and thankful to have had the opportunity to know a true Mountaineer.



Dear

One such improvement has been in the system of morning announcements. Students are responsible for setting up the format of the announcements and for presenting the announcements. The Board recommended that a tennis program which will lead to a varsity team be initiated at EHS. Again the Board was in charge of planned activity periods which give some variety to the A-B Bell Schedule.

Board executives include Mr. Boggs, chairman; Dave Bowman, vice chairman; and Mrs. Berkley, secretary.

BASIC FOLK GUITAR CLUB

Señor Wee's Basic Folk Guitar Club is directed to the student who wishes to learn the basic strums and chords of a guitar and to learn to play simple folk songs. A member of this newly formed club can develop musical appreciation and skills which may give him many hours of pleasure in the future.

MARCHING BAND

Another tremendously successful year in Ephrata's Marching Band history has been completed. Director, Mr. Althouse, and his band members began tuning up instruments and learning music, maneuvers, and routines during summer vacation to entertain football fans at halftime.

Among the appearances of this year's band have been the United Fund Parade in Lancaster and the defending of championship title at New Holland's "Spectacle of Bands." Our Purple Pride Band again brought home the first place trophy. Ephrata hosted the annual "Pageantry in Motion" with bands from various areas. Another high point of the year was the trip to Sunbury for the difficult "Sounds of Champions" competition. The fact that the girls attended twirling camp last summer helped feature twirlers Holly Shreiner and Brenda Behmer and baton group captain Deb Witmer to win the first place twirling trophy. The entire band received the overall award for second place. Members of the band were then honored at a banquet held in December.

PHOTOGRAPHY CLUB

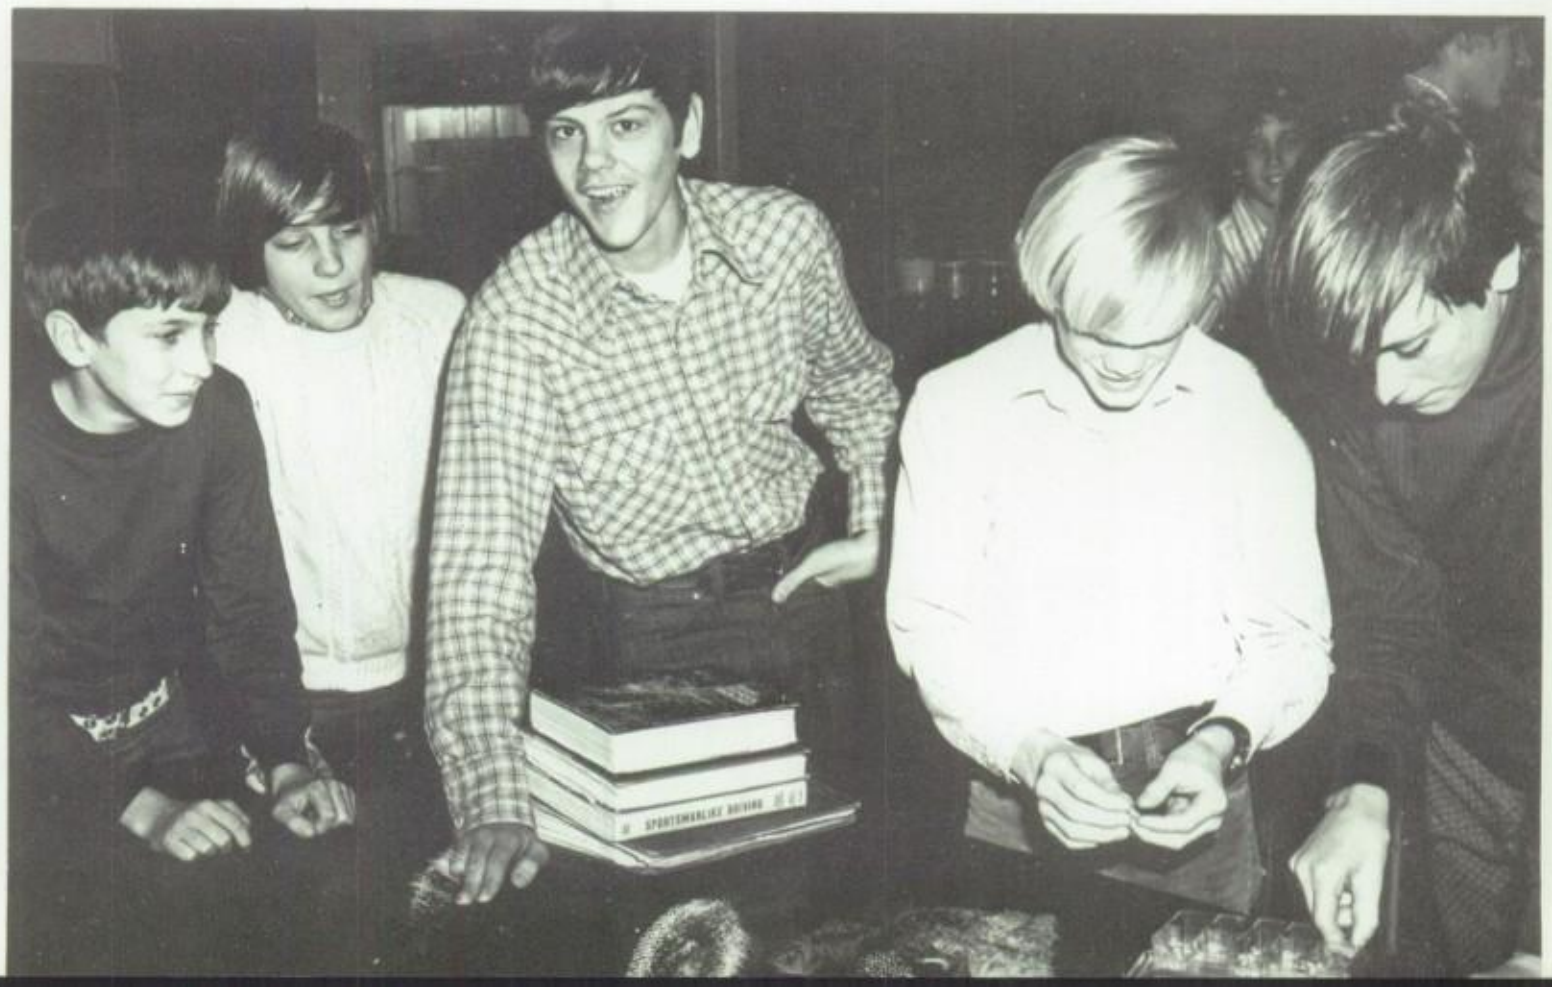
This year two Photo Clubs have been organized to accomodate the great number of students who showed an interest in acquiring and developing photographic skills. After learning the techniques of good picture taking, the members shoot and develop the film. They evaluate their enlargements to prepare for success in their future attempts.

Students have entered works in both local and national contests. They also planned a contest for members of the student body. Displays of their photos appeared in the main lobby's show case and on the all-sports bulletin board. Some of the members had their pictures published in **The Mountaineer,** in **Serendipity,** and in **The Cloisterette.**

Advisors for the clubs are Mr. Rouzer and Mr. Hess.

FLY-TYING CLUB

To become more successful on fishing excursions, students have found that Mr. Trefny's Fly-Tying and Fishing Club proves very beneficial. The group learns fly-tying techniques through films, discussion, and practice. Two trips were planned by the club members to try their luck with their newly made equipment.



MOUNTAINEER

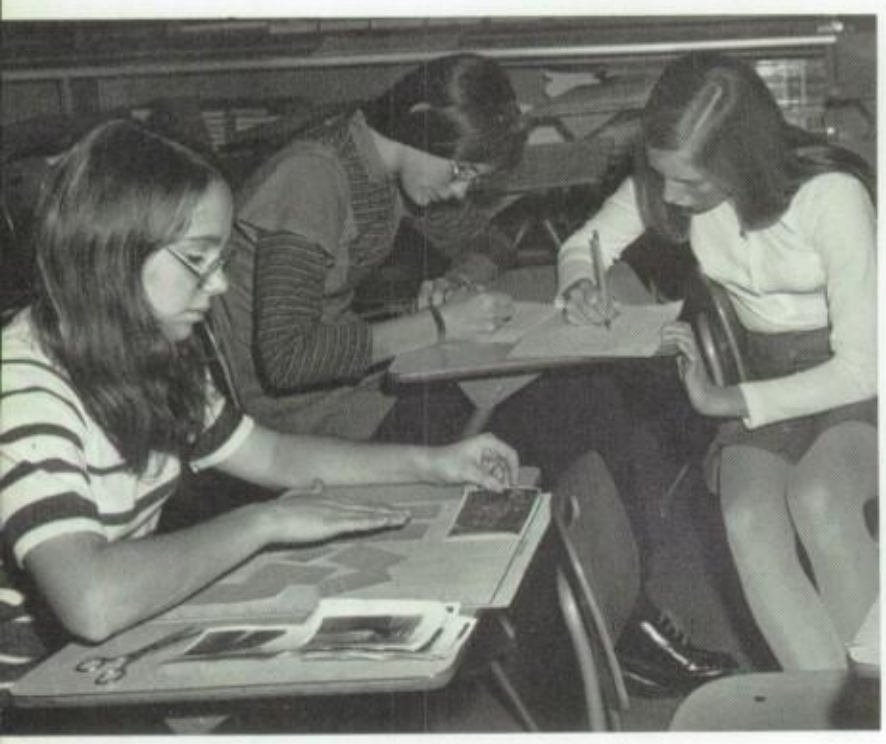
ROW 1: T. Lausch, J. Keith, D. Wechter. **ROW 2:** B. Cammauf, D. Bingner.

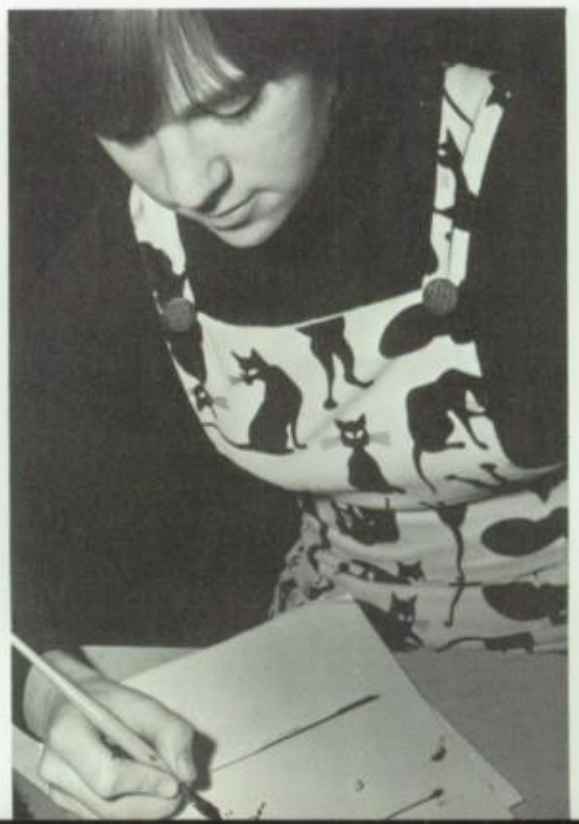
The preparation and publication of **The Mountaineer** is an exercise in freedom of the press and is viewed as a learning device. Due to an unexpected budget cut, the Mountaineer staff could produce only five issues instead of the usual ten. The staff worked many hours to produce issues of the highest quality.

The advisor of the newspaper is Mrs. Mears and Miss Hartman is her assistant. The editor-in-chief is Trish Lausch. First page editor is Bev Cammauf; second page editor is Dixie Binger; third page editor is Diane Wechter. Joy Keith is the sports page editor. Kathy Leisey handles circulation, while Donna Peters is in charge of exchanges with other schools. Cheryl Van Zant handles the art work. The typists are Barb Usner, Cindy Hertzog, Cindy Garner and Teresa Frymyer. There are thirty-four members on the staff. Mr. Rouzer, with the help of interested students, handles all photography for the newspaper.

Because of the efforts of the staff, EHS students can read the news and views of the High School scene. Each issue regularly features columns on sports and clubs, as well as editorials and "Questions to the Principal."

The advisors serve as consultants on style, grammar, format, and suitability of material.





SEATED: K. Shuey. **ROW 2:** J. Book, J. Hartranft, H. Shreiner.

CLOISTERETTE

The Cloisterette staff works the entire calendar year in order to bring out a comprehensive and low-cost yearbook. In May of 1972 salesmen were assigned community businesses to canvas for advertisements. During the summer editors met with a representative of the publishing company to decide on theme, color and design. Also in the summer Mr. Martin began to take ad pictures. In the fall assignments were given to staff members who then interviewed the proper personnel, prepared copy, and designed page lay-outs. After the company shot the pages, it returned proofs to the staff members who checked the proofs against their records.

Many people work together to publish a yearbook, however patient guidance from editors and advisors is necessary. Kathy Shuey as editor-in-chief has put hundreds of hours into presenting an accurate record of the 1972-1973 school year. Her assistants are Holly Shreiner, copy editor; Joni Book, photography editor; and Julie Hartranft, advertising editor. Section editors are Coleen Martin, seniors; Theresa Leisey, organizations; Doug Burkholder, athletics; Gary Benner and Bruce Ebersole, faculty; and Ann Hummer and Lisa Farlow, underclassmen. Mrs. Berkley is the advisor and Mr. Engleman is her assistant.

CHORUS

The Mixed Chorus is comprised of eighty-six talented vocalists who are guided by the able direction of Mrs. Kohl. The accompanists are Peggy Weber and Rachel Wenger. The chorus's performances, always well received by the audiences, include music ranging from classical to modern.

Performing at three annual concerts, the Christmas Concert, the Mid-Winter Concert, and the Spring Concert, the chorus also taped a program of Christmas music for WLYH-TV and one for WGSA Radio.

THE CURIOUS SAVAGE

Under the able direction of Mr. Campbell, his assistant Mr. Murr, and the sponsorship of the Senior Class, the play, "The Curious Savage," was presented on the nights of November 17 and 18, 1972. The play was attended by 1,100 people and was very well received.

This hilarious satire, written by John Patrick, revolves around Mrs. Savage, played by Ann Althouse, and her forced admittance to the assylum "The Cloisters," by her three children, portrayed by Chris Biemesderfer, Cindy Krall, and Dennis Burkholder. Ten million dollars worth of bonds are stolen from Mrs. Savage and mayhem results when the three greedy Savage children try to find out who stole them.

G. Benner and Mr. Murr.

ATHLETICS

FALL SPORTS QUEEN

Rhoda Stauffer, a senior, was crowned Fall Sports Queen during the half time ceremonies of the Ephrata-Manheim Central football game. The queen was selected by the students who voted with pennies. Students were allowed to vote for as many girls as they wished and as often as they wished, as long as their money held out. The proceeds of the election were given to the Trooper Lapp Fund which has been set up to aid the family of the deceased state policeman. The election was sponsored by the Student Council as a part of Spirit Week.

Other candidates were Joni Book, Marsha Baron, Lori Drybread, Suzy Hackman, Heidi Haller, and Holly Shreiner.

ROW 1: S. Youse, J. Martin. **ROW 2:** M. Mitchell, T. Mauer, D. Jameson, M. Detweiler, R. Sammet, M. Leaman, R. Weber, Coach Weidman.

GOLF

Randy Sammet is the only senior on the golf team.

The EHS Golf Team had a very successful fourth season with an overall record of six wins and three losses. Finishing in a four way tie for first place, the team had captured third place after the league play-off. The nineteen member squad was led by Marlin Detweiler, Mark Leaman, Don Jameson, Mike Mitchell, Tom Maurer, and Randy Sammet.

Due to the formation of the Lancaster-Lebanon County Golf League, the golf program was moved from the spring to the fall. This time of the year produces more stable weather conditions for team play.

All the members of this year's team played well, but Marlin Detweiler and Mark Leaman must be congratulated for their fine efforts during the season. Marlin maintained the lowest average (74.8) of all the golfers in the Northern Lancaster-Lebanon League. Mark finished in tenth place with a 77.8 average.

Mr. Weidman is the coach.

ROW 1: S. Hammond, R. Gunselman, R. Whetzel, K. Wealand, R. Gosling, R. Reidenbach, B. McCoy, D. Shennenberger, N. Wealand, D. Lindberg, J. Hainley, R. Kopp. **ROW 2:** J. Kreider, E. Shimp, D. Fink, R. Carnes, T. Ice, S. Wolf, J. Reidenbach, M. Kessler.

CROSS COUNTRY

Starting strenuous practice in August to develop stamina and endurance, this year's Cross Country Team showed that dedication and desire lead to victory. Improving as the season progressed, the team rolled up six victories to ten defeats.

Among the outstanding individuals were senior Randy Carnes, junior Sam Wolf, and sophomore Mark Kessler. Also showing strong was senior Tony Ice. Randy and Sam, scoring low consistently in meets, gave Ephrata a strong finish. Mark Kessler supported the team with fine running.

Experiencing "the thrill of victory and the agony of defeat", Mark Kessler and Sam Wolf will provide a strong nucleus for next year's team, who according to Coach Engleman should improve upon this year's record.

Through a pep assembly the girls rallied the student body to cheer. They sent telegraphs, made phone calls, and printed signs to encourage team members.

HOCKEY

This year our Hockey Team had a record of 2-7-2. The team was led by captains Marsha Baron and Rhoda Stauffer. Good sportsmanship and enthusiasm, especially among the freshmen, were attributes of the team throughout the entire season.

All team members played well, but special recognition is to be given to Marsha Baron, Julie Hartranft, Nancy Johnson, Joy Keith, and Rhoda Stauffer for a very fine season. Coaches Helbert and Merrbach hope that next year the girls will improve their stick work and will hustle more.

JR. HIGH FOOTBALL

Pride and determination marked this year's Junior Mount Machine as the boys rolled on to an impressive 5-1 season.

With fine teamwork and spirited leadership the team practiced the basic fundamentals of blocking, tackling, and running to prepare them for success in junior varsity and varsity football.

SOCCER

Ephrata's energetic eleven exhibited steady improvement this year. Sporting a total of four wins, the team had one of soccer's brightest seasons at EHS. Many of the games that were lost had only one goal difference between Ephrata and the victor. High Scorer for the team was senior John Remlinger with a total of nine goals.

This year's soccer team might have fared better if two of its booters had not been sidelined by injuries. Another disappointment for the team was some experienced players failed to come out for the squad. Coach Ammon emphasizes that for the soccer team to compete successfully next year, every player will have to return.

The Junior Varsity team, coached by Mr. Wood, ended its season with four wins against ten losses and two ties.

ROW 1: B. Pierce, D. Myers, D. Patschke, D. Rice, B. Meiskey, R. Christ, D. Callihan, M. Owens, T. Hassell, S. Worrall, T. Stauffer, D. Zinn. **ROW 2:** D. Horst, R. Stewart, G. Zoll, K. Burkhart, S. FOOTBALL

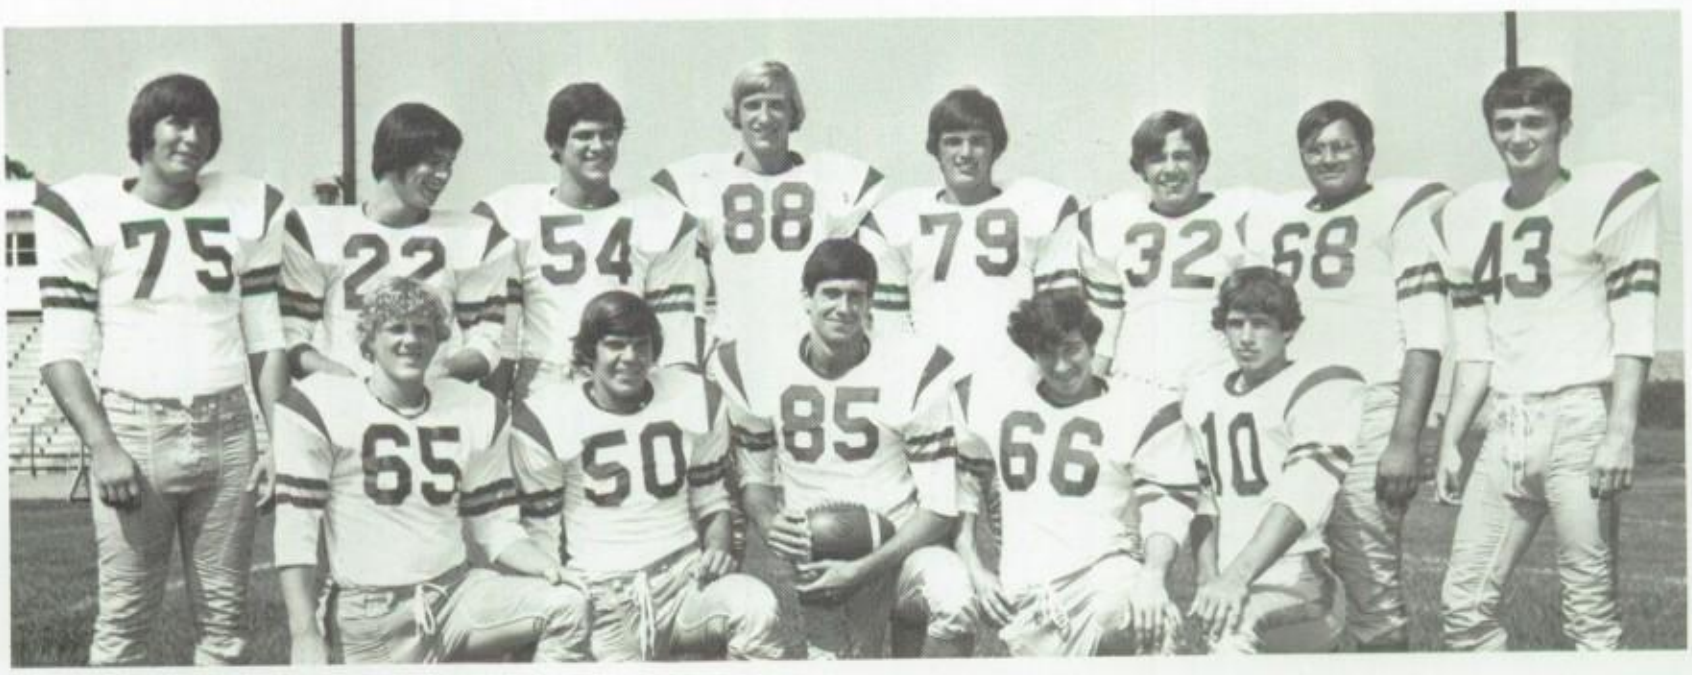
The Varsity Football Team, under the guidance of Coach Lynch and the leadership of co-captains Bruce Pierce and Tim Hassell, struggled through a rough season. Having lost many veteran starters through graduation, this year's team worked very hard on the practice field but lacked the game experience so necessary to be a successful competitive high school football team.

Outstanding stars were not to be found on this year's squad. The boys worked as a unit and when any part of that unit failed, they failed. However when the boys worked together, the team succeeded.

There were some bright spots and promising underclassmen who will, with desire and determination, bring back the pride and victory which have been characteristic of football at Ephrata High School.

Coaches: Mr. Billet, Mr. Erb, Mr. Eisemann, Mr. Lynch, Mr. White, Mr. Dean.



Seniors—ROW 1: D. Patschke, R. Christ, D. Zinn, D. Rice, D. Callihan. **ROW 2:** T. Stauffer, S. Worrall, T. Hassell, B. Pierce, D. Myers, B. Bowen, B. Meiskey, M. Owens.

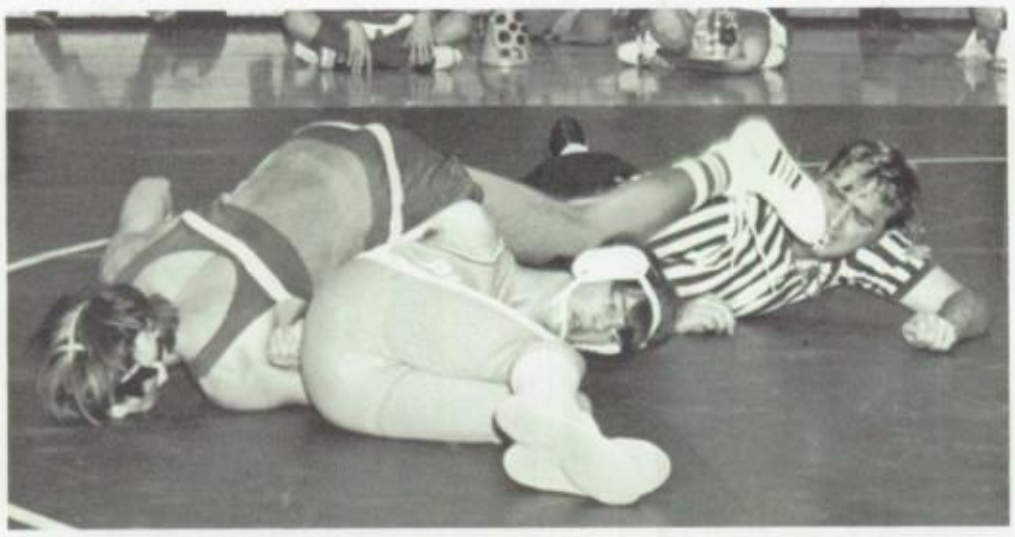
WRESTLING

After several disappointing exhibition matches, this year's wrestling team opened their season with great success. Under the competent coaching direction of Mr. Ammon and new head coach, Mr. Hershey, the boys worked long and hard to combat the team's losing reputation of former years. The grapplers proved that with enough determination and spirit they could make our wrestling team one hard to defeat.



ROW 1: R. Imhoff, D. Kerschner, L. King, B. Romig. **ROW 2:** T. Rickenbach, K. Drost, D. Shimp, D. Ulrich, D. Sweigart, P. Henman. **ROW 3:** D. Hornberger, P. Eckert, S. Hecker, L. Ruth, L. Peters.

GIRLS' BASKETBALL

The Girls' Varsity Basketball Team this year combined the experiences of several returning players and the quickness and speed of several new members to form a very fine squad. The first year in the newly formed Lebanon-Lancaster League proved to offer tougher competition for the team than that competition of the older Lancaster County League. Most of the top teams are in the Northern Section of the league as Ephrata is. This year's squad is a highly spirited, hard working group of girls who show excellent sportsmanship both on and off the court. Their teamwork is exceptional and when they play their best, they are the best fast breaking team in the league and when they are fired up, they can press any team into poor play.

ROW 1: D. Sweigart, Y. Stauffer, B. Hoffman, S. Stauffer, D. Strauss, D. Royer. **ROW 2:** C. Hurst, D. Numbers, S. Smith, K. Eby, S. Grant. **ROW 3:** K. Barnett, J. Fahnestock, T. Stover, D. Good, S. Albright.

J.V. BASKETBALL

The Girls' Junior Varsity Basketball Team is the finest since Ephrata revived the sport for girls three years ago. A fine group of freshmen have played a major part in the good record posted by their squad, since several of them have helped lead the team in both scoring and defense. The experience and shooting strength added by several returning members rounded out the squad. With this kind of strength on JV, the future for girls' basketball at Ephrata is very bright indeed.

ROW 1: R. Sammet, D. Brunner, J. Witmer, M. Wolfe, J. Weinhold, D. Callihan, D. Shober. **ROW 2:** M. Mitchell, D. Bowman, C. Gehman, D. Flores, M. Detweiler, M. Hoffman, M. Matto.

BASKETBALL

The 1972-1973 varsity basketball team proved to be one of Ephrata's most exciting ever. Under the leadership of Coach Worley and his assistant Coach Kopp, our teams battled their way to victory after victory. Pride, Determination, and Hustle were the trademarks of this year's team. With team captains Mike Wolfe, John Weinhold, and Jeff Witmer, our team certainly carried on Frata's reputation for a fine basketball season.

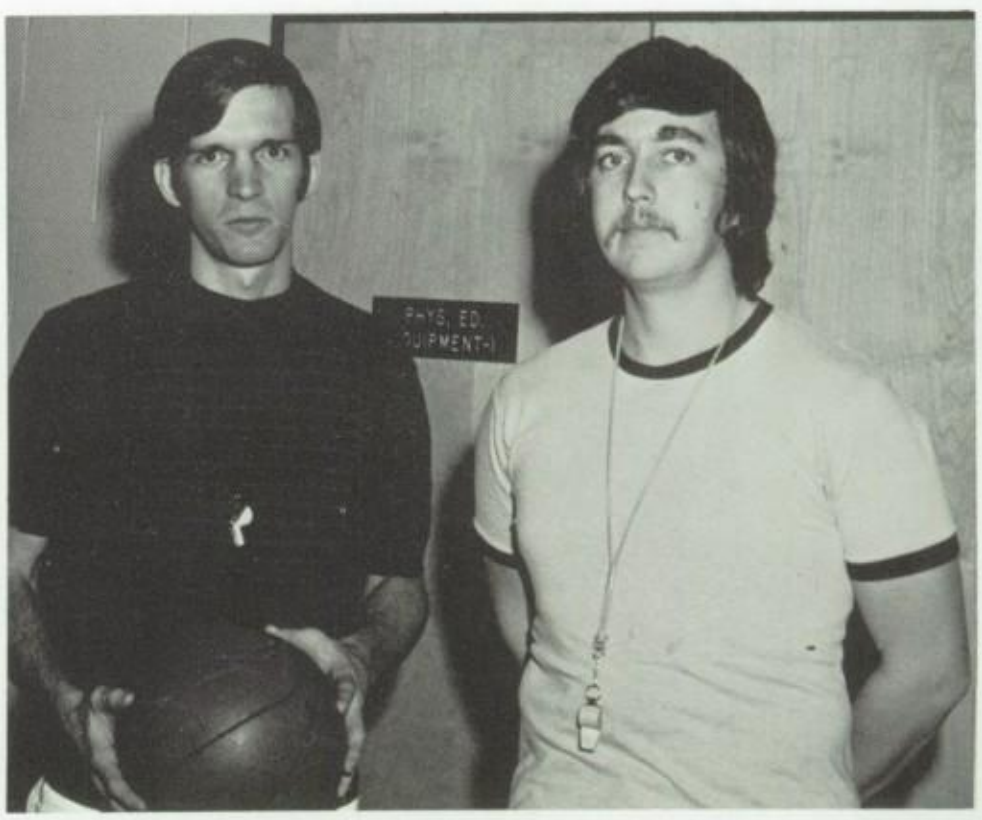
JUNIOR HIGH BASKETBALL

The Freshman Basketball Team was coached for the first time by Mr. Fritz and Mr. Chalfant. Although the boys had a very successful season, they had to work hard for each victory.

Lacking good teamwork, the little Mounts made each game exciting as they used Pride, Determination, and Hustle as factors in bringing them their victories.

Freshman cheerleaders encourage the Junior Mounts to strive for a victory.



Coach Fritz and Coach Chalfant.

FACULTY

ROW 1: Mr. Jimmie Reedy, secretary; Mr. Robert Bensing, president; Mr. Morse W. Brossman, Jr., vice president; Mr. Harold E. Miley, treasurer. **ROW 2:** Mr. Ronald Frisbie, Mr. Larry Loose, Mrs. Maryann Hooper, Dr. Albert Wolbach, Dr. John Grant.

SCHOOL BOARD

The nine school directors who make up the School Board are elected by the citizens of the Ephrata Area School District to serve six year terms. They meet monthly and are charged with the responsibility of forming regulations dealing with school policy. They explore ways to finance the educational program.

The superintendent, Mr. Biemesderfer reports directly to the directors concerning recommendations to improve the school program.

Officers for 1973 are Mr. Robert Bensing, president; Mr. Morse Brossman, Jr., vice president; Mr. Jimmie Reedy, secretary; and Mr. Harold E. Miley, treasurer.

Mr. C. Daniel Biemesderfer, supervising principal.

SUPERVISING PRINCIPAL

As public relations man, Mr. Biemesderfer must interpret the school system to the public, keep newsmen informed, and act as a liaison between the faculty and school board. One of his most important obligations is to draw up a budget for the school system and recommend a tax rate to the school board.

A supervising principal constantly researches effective methods of teaching. He has to watch the census and pupil growth rates and foresee situations as much as twenty years into the future in order to decide where new facilities will be needed.

SENIOR HIGH PRINCIPALS

In the summer months Senior High School Principal, Mr. Wenrich, and his assistant, Mr. Breslin, set up the school calendar and scheduled classes for the coming school year. Also as part of their duties they officiate assemblies, interview prospective faculty members, attend School Board meetings, and coordinate student, parent, faculty, and public relations.

Mr. Wenrich and Mr. Breslin are seen around the school talking with students to keep in close contact with what's happening at EHS.

Mr. Wenrich would like to see Purple Mountaineer Pride strengthened among the students to make EHS the best high school ever.

Mr. Robert L. Wenrich, Jr., Ephrata Senior High School Principal

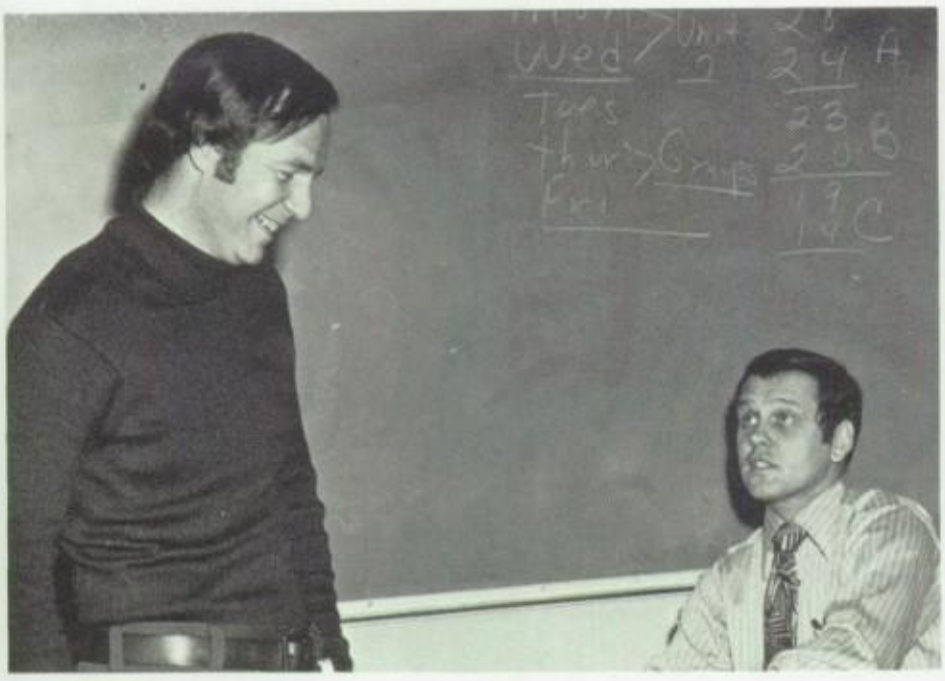
Mr. George E. Breslin, Ephrata Senior High School Assistant Principal

LANGUAGE ARTS

The Language Arts Department initiated a new English curriculum in the fall of 1971. The program offers a wide variety of one-semester courses. Students choose courses according to their interest; sophomores, juniors, and seniors are grouped together for instruction. Course offerings are determined by the interest and the needs of the students. In each course the basics of communication, listening, speaking, reading and writing, are taught.

Mrs. Schreiber is the chairman of the department.

Mrs. Lloyd, Department Chairman Mrs. Schreiber, Miss Kocher, Miss Hartman, Mrs. Mongilutz, Mrs. Colton, Mrs. Mears, Mrs. Maloney, Miss Berger, Mr. Bostic, Mrs. Dean.



GUIDANCE

This year's school guidance program is headed by Mr. Elder, with Mr. Decker and Mr. Eyster serving as the other school counselors. Mr. Elder is also the chairman of all the other counselors in the school district.

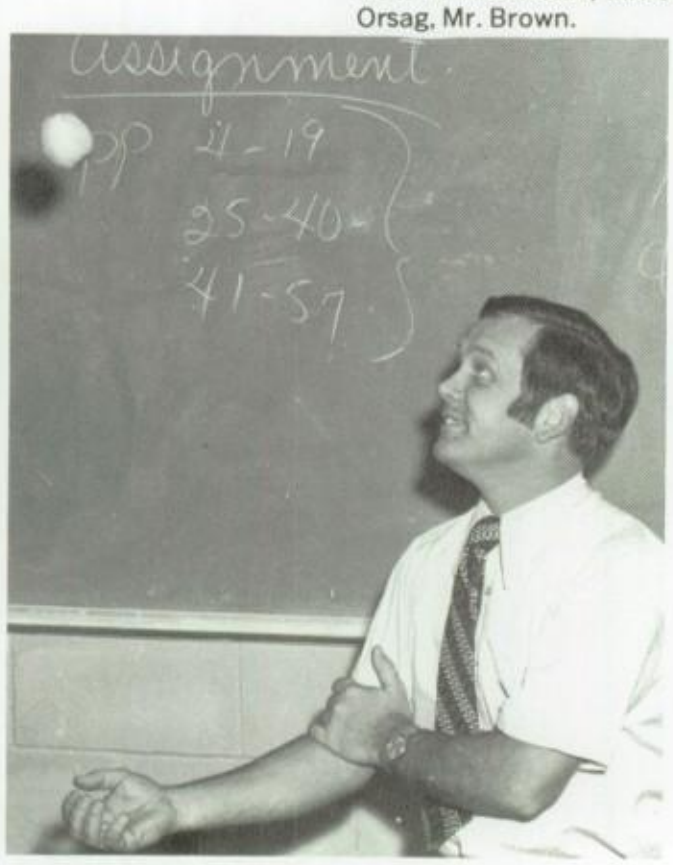
The guidance department provides cataloged information about all the students for faculty members, administrators, parents, employers, and higher education admission officers. The counselors also assist in scheduling students in courses the students need to complete graduation requirements. Counselors administer standardized tests. Each year they meet with all the students in the school to inform them about Vo-Tech, post graduate education and vocations.

Mr. Eyster, Mr. Decker, Mr. Elder.

SOCIAL STUDIES

In Social Studies classes teachers try to help students to understand the world in which we live. The goal is attained by various courses for the different grade levels. Twelfth grade students probe the Problems of Democracy. Social Living may be elected by seniors or juniors. Eleventh graders are offered American Cultures. Tenth grade students study about people in other lands in World Cultures classes. Ninth grade students have a general Social Studies course which consists of four, nine week programs including units on the American Political System, Minorities, Pennsylvania Today, and the Twenty-First Century.

ROW 1: Mrs. Hoxie, Mr. Smith, Mr. Young. **ROW 2:** Mr. Knapp, Mr. Kenn, Mr. Lehmier, Mr. Wissler, Mr. Orsag, Mr. Brown.



MATH

The goals of the Math Department are to acquaint students with different mathematical areas and to help them to think logically. The teachers hope to show students that math need not be dull but can be fun.

Twelfth graders are offered a choice of Senior Math, Liberal Arts Math, or Math IV. For eleventh graders there is Algebra II or Math III. Tenth graders can choose Plane Geometry, Algebra IB or Math II. Ninth graders deal with Algebra I, Algebra IA, or Math I.

With the addition of four computers for the Math Department to use, a new course, Introduction to Computers, has been offered this year. Students learn how to use and program computers and how to apply them to everyday math problems.

Mr. Boggs is the department chairman.

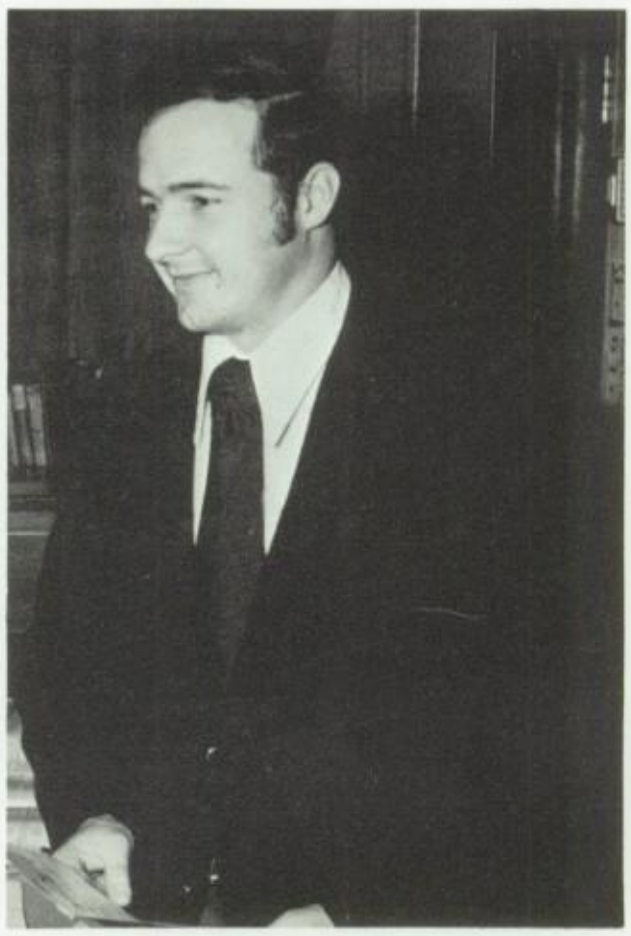
ROW 1: Mrs. DeMonte, Mr. Boggs, Mrs. Liddell. **ROW 2:** Mr. Sensenig, Mr. Fritz, Mr. Engleman, Mr. Bechtold. Missing: Mr. Heinaman.

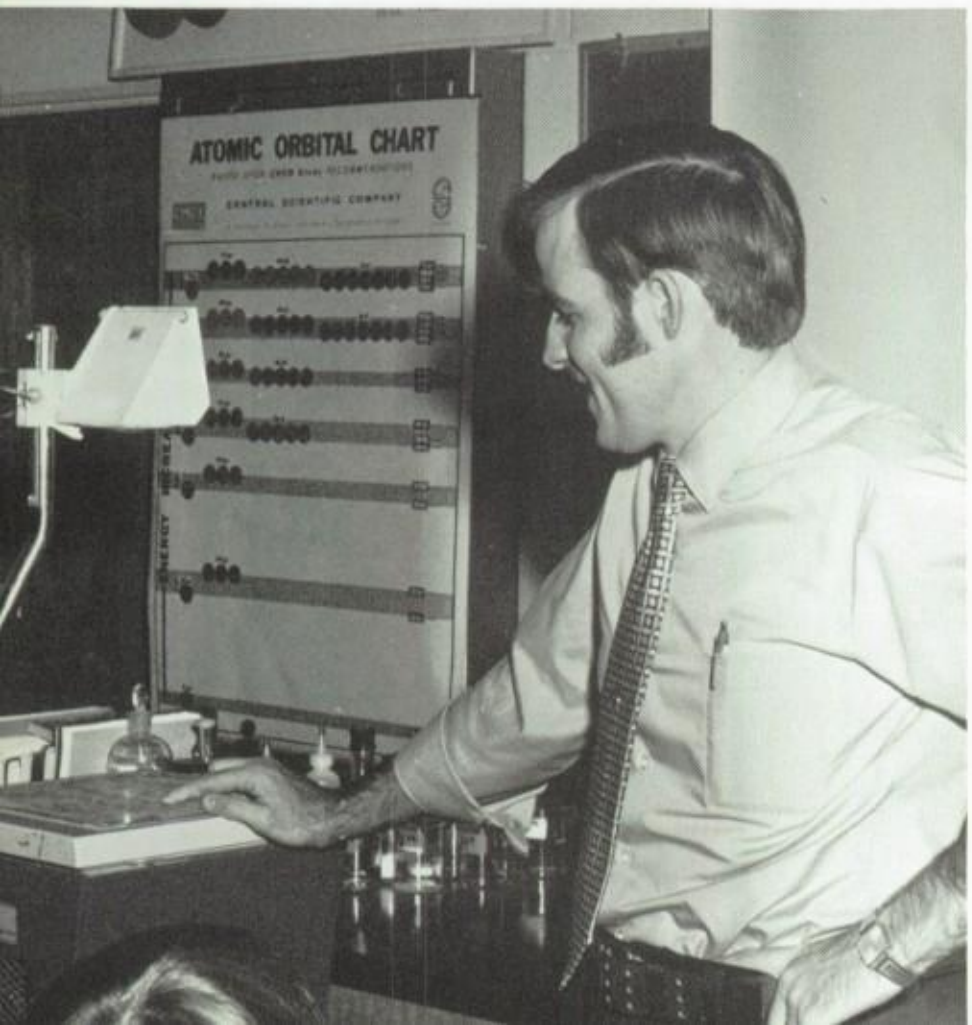
Mr. Focht, Mr. Trefny, Mr. White, Mr. Heffner, Mr. Nolt, and Mr. Comly. Missing: Mr. Hess and Mr. Montgomery.

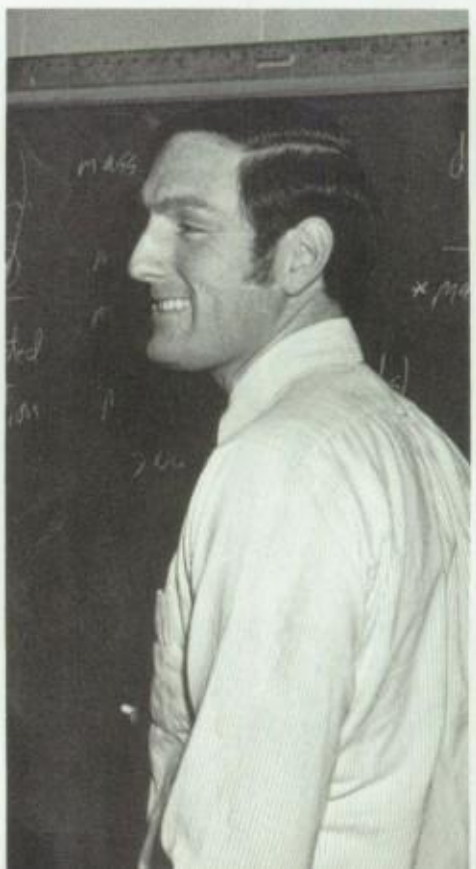
SCIENCE

Activities in the science classes range from glueing styrofoam balls together in chemistry to pithing frogs in biology. Introductory Physical Science and Earth and Life Science are required of all students with Chemistry, Physics, Physical Science and Ecology as electives. Experiments carried out by students in double period labs are learning tools to guide the students in their understanding of science.

Mr. Heffner is the department chairman.







BUSINESS EDUCATION

The Business Education Department members prepare students for future careers in office jobs. Shorthand and typing are basic courses. Other elective courses cover the areas of business math, economics, business communications, notehand and office machines.

Business education students are encouraged to participate in the Future Business Leaders of America Club which is advised by teachers from this department.

Mr. Weidman is the department chairman.

SEATED: Mr. Weidman. **ROW 2:** Mr. Cook, Mrs. Stewart, Mrs. Krick, Mr. Adelizzi.

ROW 1: Mr. Wee, Mr. Campbell, Miss Rekis. **ROW 2:** Miss Berger, Mrs. Berkley, Mr. Murr.

FOREIGN LANGUAGE

Offered by the Foreign Language Department members are the classical language, Latin, in a two year program and the modern languages, German and Spanish, in four year programs. In order to develop interest in the study of a foreign language, the group hosts a Foreign Language Dies Festus-Fest-Fiesta where students enjoy songs, skits and dances as well as the cuisine of the native countries whose languages are taught at EHS.

Señor Wee is the department chairman and he, along with Señor Murr, teach Spanish. Instruction in Latin and in Classical Mythology is under the direction of Miss Berger. Fräulein Rekis, Frau Berkley, and Herr Campbell are responsible for the German program.

Mr. Dean, Miss Merrbach, Miss Helbert, and Mr. Ammon.

HEALTH AND PHYSICAL EDUCATION

The most important aim of physical education is to provide an opportunity for all students to build their bodies to good physical condition. Students participate in both individual and team sports.

Health is taught primarily to tenth grade students. The instructors hope that good health habits and attitudes are acquired by their students.

Mr. Ammon is the department chairman.

Mr. Suter, Mrs. Kohl, Mr. Althouse

MUSIC

In ninth grade all students are required to take a semester of music. In this basic course students participate by singing songs as well as by listening to and discussing music.

Elective courses in the program include Music Appreciation, Chorus, Band, and Orchestra.

Mrs. Kohl, vocal music instructor and Chorus and Vocal Ensemble director, is the chairman of this energetic group whose members put together enjoyable concerts at various times during the year. In charge of instrumental music which includes Marching Band, Concert Band, Dance Band, and Jazz Band is Mr. Althouse. Instruction on string instruments and the direction of the Orchestra and String Ensemble fall under the duties of Mr. Suter.

FINE ARTS

The Fine Arts Department allows students to express themselves in a variety of media. A semester of art is a requirement for freshmen. Other students may choose art as an elective.

In addition to working on the regular individual projects, students learn about art history. Students may express their creativity in sculpture, ty-dying, drawing, candle making or painting.

Mr. Schlegel is the department chairman.

Mr. Schlegel and Mr. Endress

Mr. Royer, Mr. Watson, Mr. Beidler, Mr. Rouzer.

INDUSTRIAL ARTS

In Industrial Arts the students learn the properties, characteristics, and uses of many different materials. In the four shops, Drawing, Graphics, Wood and Plastic, and Metal, they can express themselves in various materials. Given here the opportunity to learn an aspect of a career or occupation, students may then pursue further training at a technical school.

Mr. Royer is the chairman of the department.

Mr. Ayers, Mr. Graybill, Mr. Ackley.

VOCATIONAL AGRICULTURE

Mr. Ayers is the head of the Vocational Agriculture Program. Mr. Graybill is in charge of the Future Farmers of America, a club which is closely related to the Vo-Ag course. Mr. Ackley, in addition to his regular class duties, works with the Adult Farmer Program.

Courses also taught by these department members concern soil conservation, the care of animals, mechanics, forestry, and electricity.

NURSE

The school nurse gears her work toward the prevention of illness and toward health education. She takes care of first-aid problems. She also screens the students' vision and checks the students' weight and height. She aids the school physicians in giving physical examinations for students prior to their beginning practice for athletics.

Mrs. Lawton counsels students in improving their general health. She has a resource area for problems for both students and school staff members.

Mrs. Lawton checks the TB test results of Miss Rekis, as Mr. Campbell waits his turn.

Mrs. Ohms and Mrs. Kachel.

LIBRARIAN

Not only does our new librarian, Mrs. Kachel, have the responsibility of ordering and cataloging books, but also she is involved in working with students. Students at EHS expect the librarians to be authorities in every field. Besides helping students to locate books and periodicals, Mrs. Kachel and her assistant, Mrs. Ohms, are teaching student researchers how to use such audio-visual equipment as the micro-film reader. Trying to maintain a pleasant but quiet atmosphere is another task for the librarians.

Mrs. Gotwalt and Mrs. Watson

HOME EC

Home Economics is a requirement for all freshman girls, however it has also become a popular elective area for the other girls. Presenting their courses in a way relevant to the girls' needs and wants and presenting material in an interesting way, Mrs. Gotwalt and Mrs. Watson are the instructors. Naturally the areas of sewing and tailoring, menu planning and cooking, and family living are covered in this program.

Mrs. Gotwalt is the department chairman.

Mr. Kametz

PRACTICAL ARTS

Mr. Kametz is in charge of the Practical Arts Program. Classroom instruction centers around basic skills of the language and mathematics. Of practical value is the Work Experience Program in which students are allowed to spend part of their school day working at a job in the community and thereby learning skills related to a job which they might wish to pursue after graduation.

Mr. Moyer, Mr. Samara, Mr. Hoover.

DISTRICT PERSONNEL

Three professional employees who have their headquarters in the Senior High School are Mr. Hoover, Mr. Moyer, and Mr. Samara.

As Coordinator of State and Federal Programs, Mr. Hoover is responsible for the examination and study of all directives and memorandums from the Pennsylvania Department of Education or from the U.S. Office of Education concerning state and federal programs and funding. In his job he fills out many required government forms concerning attendance, personnel, and special services.

Mr. Moyer is the Business Manager for the entire Ephrata Area School District. He also serves as purchasing agent.

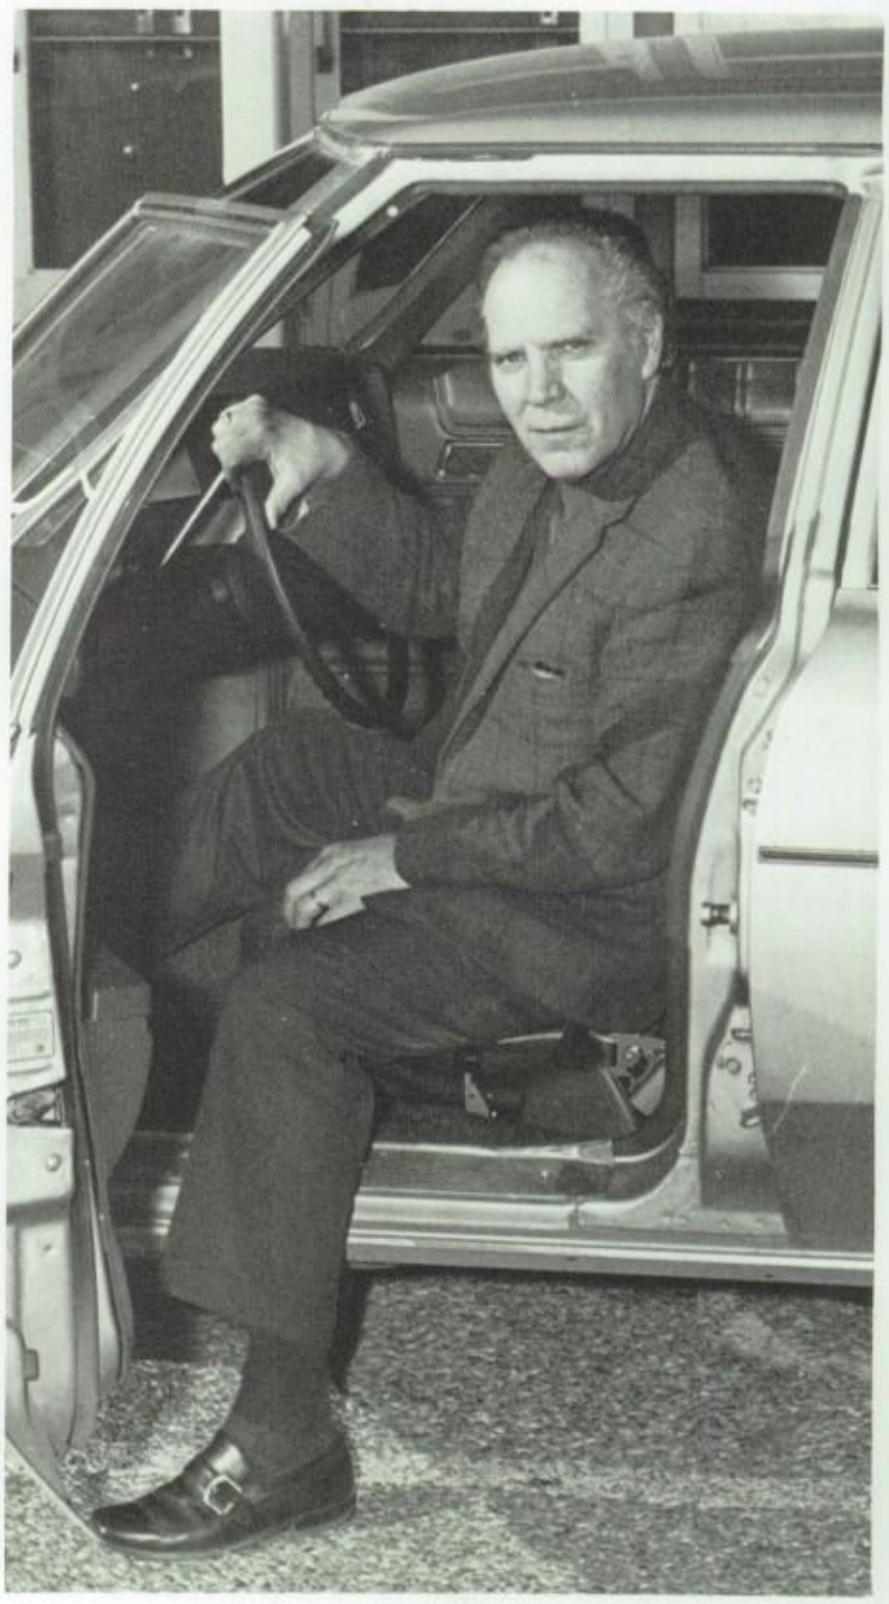
Mr. Samara, Curriculum Coordinator, has the responsibility of coordinating the district-wide programs for improvement of curriculum content and the instructional process. Although he works with teachers and administrators throughout the district, he also serves as liaison person between the district staff and the outside agencies and organizations which provide consultants or in-service education services.

SAFETY EDUCATION

The two members of the Safety Education Department are Mr. Witmer and Mr. Miller. Mr. Witmer is in charge of all the classroom instruction, but he also gives behind-the-wheel training to some students. Mr. Miller serves in the capacity of an aide for behind-the-wheel training.

The course is designed to teach students through lectures and practice the safe and proper way to drive a car. Rules and regulations as well as driving in emergency situations are covered.

Mr. Witmer



Mr. Miller

District Office Secretaries and Bookkeepers: Mrs. Witmer, Miss Garber, Mrs. Reddig, Mrs. Bollinger, Mrs. Garman.

SECRETARIES

The secretaries are called upon to perform the clerical tasks related to running a large school. These include taking dictation, typing, and operating office machines. They also act as receptionists. They assist the guidance counselors, the nurse, the librarian, and the attendance director in keeping records. Somehow they manage to always remain cool, calm, and pleasant.

Senior High School Secretaries: Mrs. Ness, Mrs. Mull, Mrs. Garner, Miss Moyer, Mrs. Steininger.

CUSTODIANS

The custodial staff has the mammoth task of keeping the school clean. Repairing and maintenance also fall under their supervision. Mr. Shaub is the supervisor for all the school buildings and grounds in the school district.

Mrs. Leonard and Mrs. Shenk.

CAFETERIA STAFF

Save your family $11,280.00

That's about what four years of college costs these days. More than a lot of families can handle. The Army is awarding over 1,000 four-year ROTC Scholarships this year. If you're accepted, we'll pay for your tuition, your books and your lab fees, plus $100.00 a month. For up to 10 months each school year. And ROTC only takes up about three to five hours a week of your time.

You choose your own academic major. And you can select from over 290 colleges and universities. No matter where they are. No matter how much they cost.

If you like the idea of going to college with a big part of the costs taken care of, see your high school Guidance Counselor about Army ROTC Scholarships. You owe it to yourself. And your family.

Army ROTC. The more you look at it, the better it looks.

Army ROTC pays. When you're in, and when you're out.

Army ROTC pays you $100 a month during your last two years of college. But the money, handy as it is, isn't the real reason you should enroll in ROTC.

There is a bigger payoff. The one that comes after you've earned your degree and commission. After you've served your country as an officer. That's the time you'll know the real value of Army ROTC.

When you begin your civilian career. You'll find you have the combination that just about guarantees success—a good education, fine tuned with military management and experience. Let us tell you about the options.

Our Mountaineer friend has shared several years with us. These have been good years, filled with the excitements of life. However, life is made of comings and goings, and already it is time to bid farewell to our shabby little hero. This may be sad to many of us, however, for everything lost, something is gained.

What have we gained? Some gains are obvious to us now, but others will be realized by us later. As we seek the fulfillments of life, let us remember to think in terms of what is gained—this is the key to happiness.
